

# Release of Lien

A release of lien discharges secured property from a lien.

Click on "Open Job" then to the top right select Active Projects,Inactive Projects,All Projects or Proposal/Bids "Reports" then double click on "Release of Lien" your report will then be generated .

The screenshot illustrates the software interface for generating a Release of Lien report. It features a top menu bar with options like File, Back Transaction, Global Reports, Settings, Window, Layout, and Help. Below the menu is a toolbar with icons for New Job, Open Job, Create Transaction, Find Transaction, Check Reconciliation, Check Register, Global Report, Fee Category, and Exit. The main workspace is divided into a left sidebar and a central area. The sidebar, under 'JOB TITLE:', has an 'Entries' section with a 'Reports' icon circled in red. The central area displays a PDF document titled 'ReleaseOfLien-636027173897609492.pdf' in a Foxit Reader window. The document is a 'RELEASE OF LIEN' form for Tampa Bay Construction Co., Inc., located at 11717 Winn Rd, Riverview, FL 33569. The form includes fields for Township, Section, Range, and a declaration of release. A 'Release of Lien' icon in the top right corner of the main workspace is also circled in red. Red callout boxes with arrows point to the 'Open Job' icon, the 'Reports' icon, the 'Release of Lien' icon, and the PDF document.
